Principal's message

It has been a settled start to 2019 and our Kindergarten students and new students seem to be settling in well. Over the holiday period our synthetic soccer field was installed. This project was a joint funding venture with the Department of Education and the school. Funds raised by the P&C made this achievable as without your monetary contribution this would not have been possible. The students here at Comleroy are extremely grateful. So thank you to everyone for your contributions at our P&C fundraising events.

School Swimming Carnival and Small Schools Swimming Carnival

Congratulations to all those students who attended our school swimming carnival. Your enthusiasm and determination ensured that this event went off successfully. Thank you also to those wonderful parents that helped out. Whether you were a timekeeper, a starter or a motivator your assistance was greatly appreciated by the teachers here at CRPS.

Congratulations to those students who went off to Windsor Oasis Aquatic Centre to represent our school at the small schools carnival last Thursday. You represented our school with pride and should be congratulated on your achievements.

Thank you to Mrs Gerisch who coordinated both these events for our school and to Mrs McGregor who assisted with the timekeeping at the small schools carnival.

Principal

Meet the Teacher Evening

Thank you to all those families who joined us for our meet the teacher evening last Wednesday. For those of you who missed it, a note will be sent home outlining the key messages for each class. I have also sent a link to a survey on eNews about our homework policy and anti-bullying policy. Thank you to those who have already contributed their opinions and I invite those who have not already done so to complete this important survey. Your ideas and opinions will be used to ensure our policies are relevant to your needs.

The canteen is in urgent need of volunteers, the school canteen is run by the P & C and is a voluntary service for your children to enjoy, with the majority of the money raised kindly being donated back to the school. If you could spare a day to help out either weekly or monthly it would be greatly appreciated

School Enews APP

I would like to encourage all our families to download the school **enews** app, and if you are on Facebook, to like our school page. We send many notes home with students and sometimes they can get lost. By downloading the school app and liking the school Facebook page you can make sure that you will still receive important information, as notes are sent home through the app and Facebook has regular updates about important events.

New procedures for late arrivals and early departures

If your child is late arriving to school or leaving early please present to the front office to have the partial absence recorded straight into the computer system and receive a card. If the office is unattended please ring the bell.

Thank you for your patience

Communication

If you have any concerns or questions regarding your child please contact the school to speak to your child's teacher. It is extremely important that we have open lines of communication between school and home to ensure that the time your child spends at school is positive and productive. At any time you feel that issues are becoming ongoing or that you cannot speak to your child's teacher please feel free to make an appointment with myself so that issues can be resolved. Sometime issues can be a misunderstanding between students and can be resolved quickly if staff are informed of the situation. Your child spends a lot of time at school and the staff at Comleroy Road PS want that time to be enjoyable.

Helpful hints – helping your child read

Provide a variety of books for your child to read on their own as well as with you and your family. Stories, comics, poems, plays, instructions for games, recipes, magazines all help your child to read.

Helpful hints – after school communication

As parents we often ask our child how their day was when they come home from school. Many times they will say their day was good and when asked what they did that day their response is 'Nothing!' I'm sure many parents have experienced this and wonder about how to encourage your child to share more about their day. Here is a handy list of questions that you could use to facilitate more conversations with your children about school each day.

 **Instead Of "How Was Your Day?"**

-  What did you eat for lunch?
-  Did someone do something funny?
-  What did you do at recess?
-  Did anyone do something kind?
-  Who made you smile?
-  Which of your teachers would survive a zombie apocalypse?
-  Who do you want to make friends with but haven't yet?
-  What challenged you today?
