

Comleroy Road Chronicles

Principal's message

As we navigate our way towards the end of term, the weather is gradually becoming warmer and the sunshine has been glorious. This term has seen many onsite events that have been enjoyed by our students, staff and families. It has been lovely to connect with our community and share student achievement and learning.

This week we acknowledge and celebrate the amazing effort and contribution our beautiful School Administration and Support Staff make each day to Comleroy Road Public School. We are so incredibly fortunate to have a SASS Team that goes above and beyond for our school community. They are often the unsung heroes who work tirelessly behind the scenes to ensure our school runs smoothly. On behalf of the students, staff, families, and community of Comleroy Road Public School we appreciate all that you do for us!

Mrs Read, Mrs Courtelis, Mr Joseph, Mrs Joseph, Mrs Hart & Mrs Griffin

Assistant Principal Position 2024

In 2024, Comleroy Road Public School will obtain another Assistant Principal. This is due to an increase in enrolments over the past couple of years. The Assistant Principal position will be filled via the Merit Selection Process. This is due to be completed by the end of Term 3. We look forward to announcing our new AP once this process has been completed.

Science Week

Comleroy Road Public School celebrated Science Week from Monday 14 August to Friday 18 August. Students participated in a range of science activities across the school and enjoyed many investigations. Some of these included: a visit from Ashley Miskelly (Sea Urchin Science Centre & Gallery), making straw rockets, building bridges that could hold monster trucks and creating sun dials. Our students are certainly budding scientists in the making!

Zone Athletics Carnival

On Friday 18 August, a group of CRPS athletes competed at the Hawkesbury PSSA Zone Athletics Carnival at Tamplin Field in Hobartville. Congratulations to all our students for putting in an amazing effort and trying their best, particularly in the cold, windy conditions. Thank you to the parents, carers and family members that came along to cheer on our students. For our very first zone carnival, we could not be more proud of all our students and their results. It was fantastic to see every student demonstrating incredible sportsmanship and representing CRPS with pride. A special mention goes to Cove Duffy who finished 2nd in the 12/13 year boys long jump, and Sophie Lennie who finished 2nd in the 11 year girls 800m. Both Cove and Sophie will be representing Hawkesbury at the upcoming Sydney West PSSA Athletics Championships at Sydney Olympic Park on the 12 October. Good luck Cove and Sophie!

R U OK Day!

R U OK Day will take place on Thursday 14 September. During what has been an extremely challenging time for many people it is time to stop and ask: Are you really OK? It is so important to maintain connection in whatever way possible and reach out to family members, friends, work colleagues and community members. Check in, say hello, give someone a smile and most importantly ask someone if they are OK. You never know, you just might change someone's day for the better!

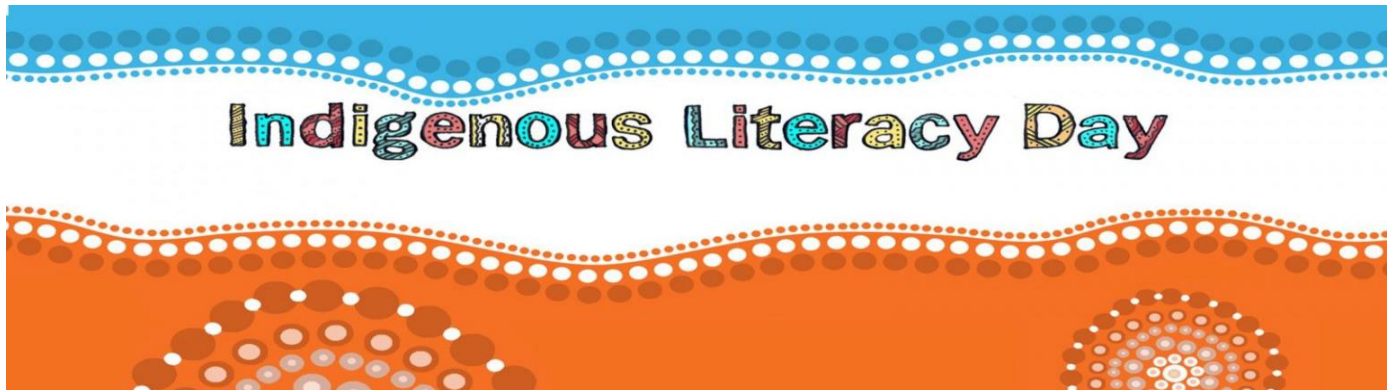

Book Week

Congratulations on a magnificent Book Fair, Book Character Parade & Grandparents' Day. What an amazing turnout of parents, carers, grandparents and visitors we had attend this magnificent event. The costumes were fantastic, and it was wonderful to see everyone dressed up. Thank you to everyone who came to share this special day with us. A very big thank you to our organisation team who worked tirelessly to put the day together. Thank you to all staff for assisting on the day, opening your classrooms and making it a very special day for our students. As I walked around the playground, I heard many lovely comments being spoken by our families and it went a long way to connecting us all. Thank you to the P&C for putting on tea & coffee and to Year 6 for their fabulous cake stall! These are the precious moments that put smiles on the faces of a whole school community!

Indigenous Literacy Day

On Wednesday 6 September, Comleroy Road Public School acknowledged Indigenous Literacy Day. The annual celebration features Aboriginal languages, stories and culture as a reminder of the importance of a connection to language, heritage and literacy for Aboriginal communities.

Congratulations Miss Ryle!

Congratulations to Miss Ryle and her partner Jarrod on the birth of their little girl Murphy Jane Thomas. We wish them all the very best on their journey as new parents and we are delighted to welcome Murphy to the Comleroy Road family. We hope they treasure these precious moments, as they pass way too quickly! There are some very excited students and staff just waiting to meet this little bundle of joy!

Community Consultation Project

In Term 4, the school and key community leaders will be seeking input from a range of community stakeholders including parents, carers, grandparents, local key community members, P&C members, staff and students on an exciting new plan to build on the culture of belonging, positive respectful relationships and trust to ensure our young people succeed and thrive. Should you wish to know more, please contact the school office on (02) 4576 1600 and arrange a time to speak with Mrs Farley.

Kind regards,

Rachel Farley

Welcome to 2/3G!

This term in 2/3G we have been learning all about the Great Barrier Reef, and the human impacts that are threatening this amazing Australian icon. Students have become experts on how pollution, overfishing, coastal development and recreational misuse are harming our reef, and learning about ways we can help protect it. We know all about how coral is formed, what it needs to survive and the incredible marine life that lives within this underwater ecosystem.

Students have become amazing writers, who have learnt how to write incredible persuasive speeches to teach people about the dangers, and how we can preserve the Great Barrier Reef for future generations to enjoy. We can't wait to do our hot writes next week! Students have also enjoyed creating reef inspired artworks which will decorate the front office and our classroom.
