## Principal's Message

This week our priority has been self-discipline. We have been concentrating on students being responsible for their own behaviour and making the right choices when those around them might not be. Each teacher has identified a student in their class who has been a fantastic model for self-discipline this week. Congratulations to these students who have been identified.

Over the last couple of weeks we have had several students represent our school in various events. I feel very proud when I receive praise from my colleagues about the manner in which students, staff and parents from our school conducted themselves. Congratulations to these students who represented our school in the Hawkesbury small schools public speaking competition: Sarah B, Maja C, Georgia L and Addison Mc. A special mention to Maja and Georgia who both came second in their categories.

Congratulations also to Jay T, Jack M and Alicia P who represented our school at the regional athletics carnival yesterday. They all showed great determination and sportsmanship as they competed in their various events. Well done!

We are currently in the process of redesigning our school website, which should be operational in the upcoming months. To make this website more engaging and more purposeful for our community I would love to hear your thoughts on what information you would like to see on the website. If you could spare a couple of minutes can you please complete the Google form on Enews (coming shortly) so we can ensure our website meets your needs.

As this is our last newsletter for the term I would like to take this opportunity to wish you all a very safe and relaxing holiday. Enjoy the time with your family and friends.

Take care

Kristen Barglik

## NAPLAN results

NAPLAN results are coming home today. If you have a child in year 3 or year 5 who hasn't received their results please contact the school.

## Positive Behaviour for Learning

Our students have been focusing on the Respectful aspect of our PBL expectations. With particular emphasis on being kind to others. Each week we will focus on one aspect of kindness.

This week's focus is..

Controlling what you do or say so you don't hurt yourself or others.

## Enrolments for 2019

We are currently taking enrolments for 2019. If you have a child or know of a child starting school next year and have not completed an enrolment form please come and collect one from the front office. We are finalising preparations for our transition program and will be sending out information about transition and orientation in the next couple of weeks.

# Farewell!

## Save the Date

The year 6 farewell will be on the 14<sup>th</sup> December 2018.

### Helpful hint to help your child with writing:

Reading with your child can help build their vocabulary and creates opportunities for them to develop knowledge about grammar and punctuation.
